Cross Border M&A
Institutional and private investor research
Non performing asset management

International Business

Market entry analysis and support
Partnerships and alliances
Strategic advisory
Assistance for Machinery sale

Contact Building e Business Gateway
Lobbying and public affairs

India-Eu Desk

Whereas in 2007, Italy has given India the highest priority for economic partnership, Paris & Partners has been focusing its activity in India since 2005 through a dedicated India-Italy M&A desk both in the Banking and Financial and Insurance sector and in the Corporate sector for selected customers in order to support either Italian companies and Indian groups in their internationalization and cross border business.

Member of Camera di Commercio Italo-Indiana
Member of Italian Chamber of Commerce
Member of European Chamber of Commerce
